	(問6)	<p style="text-align: center;"><i>The Life of Humans a Hundred Years from Now</i></p> <p>(解答例) Thanks to developed science and technology, people will be like half humans and half robots. People can get healthy body parts when they get sick. They won't eat cooked food but will take something like medicine which has everything necessary for life. Maybe we cannot call these people humans anymore. (50 words)</p>										10
